

NEWS LETTER

July 2025

What is new on the Arctic Portal Intranet!

INTRODUCING our newest addition to the intranet is the **Arctic Portal AI Chatbot (AP AI Chatbot)**. Looking for something specific? The AI-powered Chatbot can help you navigate the Arctic Portal site quickly and efficiently - just ask your question and let it guide you to the right content.

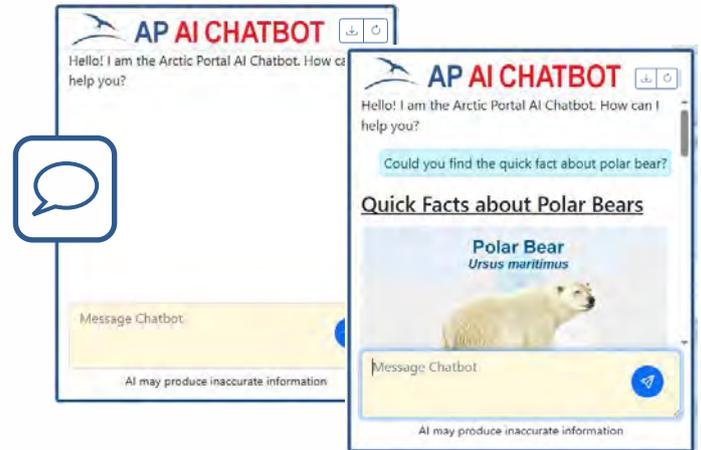

The AP AI Chatbot looks for material on the entire Arctic Portal website both internal and external.

Look for the logo on the right hand side  click on it and you are good to go!

When you click on the icon a bigger box appears, where you can write your question.

To reset chat history press 

To download chat history press 

NEW QUICK-FACTS!

Have you explored our Quick-Facts? Quick facts give you valuable resources to learn quickly about different things of significance in the Arctic!

 <https://arcticportal.org/education/quick-facts>

We are constantly introducing new Quick-Facts.

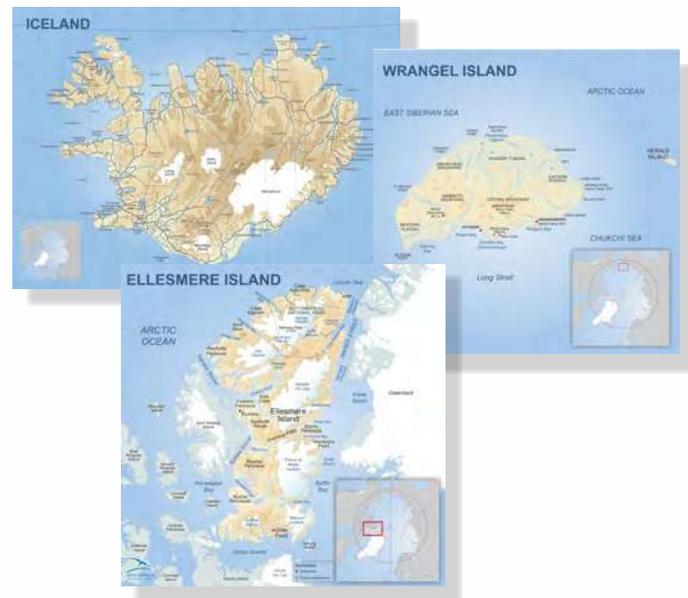

The most recent ones are introducing the brilliant bird the Arctic Tern and also the remote Arctic islands - Wrangel Island and Ellesmere Island.

NEW MAPS

We have added more maps for you to access:

ARCTIC GOVERNANCE

The Arctic Governance section of our website has been updated! Our collection of International Agreements related to the Arctic, the Arctic Policies Database, and Arctic Cooperation resources have been refreshed with the latest information.

Looking for anything related to Arctic governance? You will find it here!
